Living With Purpose: Formed for God's Family

How do I embrace my God-given identity? (Ephesians 1:11 MSG; Galatians 3:21-4:5 NLT)

1. **Understand that _____ _____ is found in _____ _____.** (Galatians 3:26-27 NLT; Matthew 3:17 NLT)

Let God ***free me*** from the need to ***achieve***. (Galatians 4:4-5 NLT)

"The common understanding of adoption in the Greco-Roman world would have been functional: It was a ***practice of the elite*** (especially the emperors) to secure ***succession, legacy, and inheritance***. Adopted sons were pulled into a bigger story and expected to fulfill an imperial purpose."

2. **Step into the reality of being _____ _____, not just _____ _____.**

Take God up on the invitation to call Him, "Dad". (Galatians 4:6 NLT)
