

## I'm Glad You Asked: Where is God?

Where is God? (Psalm 42:3, 5a NIV)

1. **God is with you in your pain.** (John 14:16-17a NIV;  
2 Corinthians 1:3b-4a NLT; Psalm 34:18-19 NLT)
2. **God is refining you through the pain.** (Romans 5:3-4 NLT)

Suffering will either **harden** your heart, or it will **tenderize** it.

What you are going through may not be good, but God can make something good out of it. (Romans 8:28 NIV)

Don't waste your pain! (1 Peter 1:6-7 NLT; Romans 8:35, 37 NLT;  
Psalm 42:11 NIV)
