

It's Personal: Communication

Proverbs 18:21 (NLT) The tongue can bring death or life...

How do I communicate in a way that honors God and others?

1. Commit to listen with love. (James 1:19 NLT)

Learn the art of asking good questions. (Mark 10:46-52 NIV)

- What are you afraid might happen?
- How does that make you feel?
- How is that impacting you?
- What does your intuition tell you about this?
- Have you solved problems like this before? What did you do?
- What would work best for you?
- What options do you have for moving forward?
- What else could you do?
- What could we do to build trust into this situation?
- What would a significant breakthrough look like?

2. Commit to speak with love and truth. (Ephesians 4:15-16, 29 NIV)

T.H.I.N.K. before you speak.

- Is this **True**? (Ephesians 4:15)
- Is this **Helpful**? (Ephesians 4:29)
- Is this **Immediate**? (Proverbs 15:23)
- Is this **Necessary**? (Proverbs 15:28)
- Is this **Kind**? (Proverbs 16:24)
