(Ruth 1:16 NIV)

- God wrote compassion into His instructions for how society works best. (Deuteronomy 24:19, 22 NLT; Colossians 3:12 NIV)
- When God's people learn about the needs of those who are mistreated and vulnerable, ***we take action***. (Ruth 2:4-9 NIV)

“The world doesn't need tweaking; it needs profound change. ***It needs a revolution marked by disruptive compassion.***” – Hal Donaldson

2. Empowering one life breaks the cycle of poverty and instills purpose. (Matthew 1:5-6a NLT)
