

## Flash Theology: God is Our Protector

Habakkuk 1:2 (NIV) How long, Lord, must I call for help, but ***you do not listen?***...

When I need help, ***what does God promise?*** (Psalm 121 NIV)

**1. God promises to enter into my mess.** (Psalm 121:1-2 NIV)

***“God will show up*** even when we’ve made a mess of things. Even when it’s our fault. ***He will show up because that’s who He is.***” – Susan May Warren

When fears arise, where are your eyes?

**2. God promises to protect me.** (Psalm 121:3-4 NIV;  
Deuteronomy 31:8 NIV)

FLASH FACT: *shamar* - to protect, keep, watch over

God’s protection extends ***beyond*** this life. (Psalm 121:8 NIV; John 16:33 NIV)

Our tireless God never tires of protecting us.

In desperation, where do I go?
