

## A Thrill of Hope: A Weary and Worried World

How do I experience **God's peace** when worry is all around?  
(Matthew 6:25-34 CSB)

1. **Know that worrying** \_\_\_\_\_ **me from experiencing God's** \_\_\_\_\_. (Matthew 6:24 CSB)

Worry is a self-centered, counterproductive thought pattern.  
(Matthew 6:27 CSB)

- God's \_\_\_\_\_ will always \_\_\_\_\_ my worry. (Matthew 6:25a CSB; John 16:33 NLT)
2. **Focus on God's** \_\_\_\_\_ **and** \_\_\_\_\_ **that He cares.** (Matthew 6:30 CSB; 1 Peter 5:7 CSB; Matthew 6:33 CSB)

What I worry about the most often reveals where I trust God the least.

Christmas is the reminder that God's peace is perfect, present, and powerful.
