

**The Gospel of John: Come and See
“He Had to Meet You”
John 4:1-29 CSB**

What does Jesus want me to know?

1. Jesus is on a mission to meet us. (John 4:4 CSB)

- a. You are not an *inconvenience* to Jesus. (John 4:6-7 CSB)

While she was trying to get away from people, God was going out of His way to get to her...and to you!

Have you ever felt as if you were an inconvenience to God?

- Shame from a sin in the past?
- Guilt from a sin in the present?
- Shame because you keep on struggling with the same sin?
- Following a spiritual path that is no longer working?

2. Nothing other than Jesus will ultimately satisfy. (John 4:13-14 CSB)

What am I trying to fill that only Jesus can fill?

3. Jesus frees us. (John 4:25-26 CSB)

- a. Removing *condemnation* is the first step to *freedom*.
(Romans 8:1-2 CSB; John 4:28-29, 39-42 CSB)

What do we need freedom from today?
