

**The Gospel of John: Come and See
“Now I See”
John 9:1-41 (CSB)**

Three questions we ask in our pain and hardships:

- Where is this coming from?
- Why is this happening to me?
- When will this end?

Where do my hardships fit into everything that God is doing?

1. **Allow God to _____ through my life’s hardships.** (John 9:3b, 5 CSB; John 1:5 NIV)

What if the part of my story that I **resent** is something God wants to **redeem**?

The Enemy wants to use **hardship** as a tool **to destroy faith**. God wants to use hardship as a tool **to forge faith**.

2. **Let God transform my _____ into my _____.**
(John 9:25b CSB)

What if God wants to **reveal** Himself to others through my story?

What is something **God has brought you through** that can now be shared to **point others to Jesus**?

- **See** Jesus and **respond** to Him! (John 9:37-38 CSB)

Our **hardships** have the power to help us grow in...

- **Relying** on God
- **Refining** our character
- **Revealing** God in our God Story
