

**The Gospel of John: Come and See
“Now I See”
John 9:1-11, 18-41 (CSB)**

Three questions we ask in our pain:

- **Where** is this coming from?
- **Why** is this happening to me?
- **When** will this end?

Where do my **hardships** fit into everything that God is doing?

1. **Allow God to reveal His light through my life’s hardships.**
(John 9:3b, 5 CSB)

What if the part of my life or my story that I **resent** is something God wants to **redeem**? (John 9:8-9 CSB)

The Enemy wants to use **hardship** as a tool **to destroy faith**. God wants to use hardship as a tool **to forge faith**.

2. **Let God turn my test into my testimony.** (John 9:25b CSB)

What is something **God has brought you through** that can now be an **encouragement to others**?

- a. Respond to **encounters** with Jesus whether it is the **first** time or a **fresh** time. (John 9:37-38 CSB)

Our **hardships** have the power to help us grow in...

- **Relying** on God
- **Refining** our character
- **Revealing** God in our God Story
