## Jesus Clears Out the Temple

### Read Luke 19:45-48

This area of the temple was the place non-Jews could come to pray, but it had become a dirty, noisy, and an unworshipful place.

#### **Option 1:**

Together, decorate a worshipful space in your home for Easter Week. It could be your dining room table or a cozy nook to do devotions together. Use things you have at home already like pillows or candles, a nice tablecloth etc. to make it beautiful. Place important things in your sacred space like your Bibles, a notepad, journal, family photos or other items your family places importance on. Make a playlist of worship songs on iTunes or Spotify that you will play in your home this week.

#### **Option 2:**

Supplies: Coins

Place a pile of coins in the middle of your space. Have each person pick up one coin at a time and say something or someone they would like to pray for. After it is shared, place the coins in a new pile. Repeat until all the coins have been picked up. Talk about how there are always things and people that need prayer. Just as each coin has value, each request is important and has value to God.

**Prayer:** Dear Jesus, Thank you for caring about people. Thank you that we can come to you with all of our concerns. Help us to worship you with all of our heart, mind and strength. We love you Lord, Amen.
