

**The Book of James: Living Authentically
“Mother’s Day”
James 4:1-12 (CSB)**

How do I navigate relational conflicts God’s way?

- 1. When in conflict, ask WHAT is the source, not WHO is the source.** (James 4:1 CSB)

Acknowledge my “knee-jerk reactions” that contribute to conflict or frustration.

- 2. Identify where God’s values conflict with the world.**
(James 4:4, 7-8, 10 CSB)

- Submit to God.
- Resist the Devil.
- Draw near to God.
- Purify your heart.

- 3. Fight for peace with one another.** (Romans 14:19 NIV)

Pray for the person you have conflict with
Go to the person you have conflict with
Build up the person you have conflict with

What conflict do I need to bring to God this week, and commit to work through it His way?
